LIVING

LIVING GREEN AT VANTO

Every corner of Trifecta Vanto showcases our deep commitment to sustainability.

- *Club House:* Step into our Club House and immerse yourself in 50,000 square feet of sprawling luxury amenities, where every corner elevates your leisure and wellness experiences.
 - *Green Spaces:* Green Spaces: Step into our green oasis, where over 80% of open areas are dedicated to landscapes and leisure amenities. These are designed not just for aesthetics but to enrich your daily life with touches of nature's calm and restoration.
 - *Healthy Living:* A semi-Olympic-size pool and comprehensive physical well-being equipment for all ages.
-

ECO-FRIENDLY FEATURES: A STEP AHEAD

Imagine living in a home that cares for the planet as much as you do—Trifecta Vanto, with its Platinum green building initiatives, offers you a luxurious and responsible lifestyle.

Here's how we do it:

- *Optimal Ventilation:* Homes at Vanto are designed with natural and cross-ventilation systems, maximising large window openings, which ensure healthier indoor air quality, and a connection to the outdoor environment, enhancing comfort without compromising efficiency.
 - *Enhanced Daylighting:* Over 75% of our spaces receive abundant natural light, reducing the need for artificial lighting. Our designs ensure that more than half of our flats offer unobstructed views, providing a direct line of sight to the outdoors and enhancing mood and energy efficiency.
 - *Heat Island Mitigation:* To keep the community cooler, we reduce the urban heat island effect using eco-friendly roofing and paving materials, including shade-providing tree cover and high-reflectance pavers.
-

ECO-FRIENDLY FEATURES: A STEP AHEAD

- *Low/Zero VOC Materials:* All interior paints and coatings are selected for their low or zero VOC content, ensuring no harmful emissions and indoor air quality.
- *Energy Conservation:* Our solar-powered common area lighting and extensive rainwater harvesting systems exemplify our approach to resource conservation, ensuring every day at Vanto contributes to a greener earth.
- *Electric Mobility:* We support sustainable transportation by providing electric car charging provisions in at least 30% of parking spaces, encouraging eco-friendly commuting.
- *Halon-free Systems:* In our commitment to environmental safety, all HVAC units and fire suppression systems are free from HCFCs and halon, reducing potential ozone depletion.

You can rest easy knowing that your home at Vanto cares for the environment and ensures a healthier, more sustainable lifestyle for your family.

TRIFECTA: LEGACY FORWARD

At Trifecta, we are committed to shaping a better tomorrow with every decision we make today.

The 'Trifecta: Legacy Forward' initiative is our promise to the planet and its people, embodying our dedication to sustainable living and environmental stewardship.

Motivated by our deep-seated desire to live in harmony with nature, this initiative guides our every action—from the design of our communities to the materials we choose.

We are constructing buildings and nurturing spaces that our children and theirs will cherish.

Through 'Trifecta: Legacy Forward', we pledge to:

- *Act Responsibly*: Every brick laid and every garden cultivated contributes to a greener, more sustainable future.
- *Live Sustainably*: Our approach ensures that sustainability is not an option but a foundation of our living spaces.

Become a part of Trifecta Vanto's legacy—where sustainability meets beauty and life thrives in balance. Reserve your future home today.
